IELTS ACADEMIC - EXPRESS EXAM PREPARATION COURSE

The International English Language Testing System (IELTS) is an international standardised test of English language proficiency for non-native English language speakers. The IELTS Academic test is required for entry into many English-medium education institutions and migration to English speaking countries. This four-week course takes you through the four components of the IELTS test structure: Reading, Speaking, Listening and Writing. Our dedicated teachers are CELTA qualified English instructors, with years of experience in teaching this test. They will guide you through the process, equipping you with all the necessary tips and tricks for greater IELTS success.

ENTRY REQUIREMENTS

- Applicants are required to take an English proficiency test to determine their suitability for this course.

SCHOOL OF LANGUAGE

At Nanyang's School of Language, we recognise the importance of English while understanding the challenges of learning another language. Our courses aim to develop non-native English speakers' English language skills so that students will become successful and confident language users. Our patient and experienced lecturers will expose students to the English Language in a systematic approach and at a comfortable learning pace to equip the students with the language ability to pursue their higher education.
